**Confidentiality, Non-Disclosure, and Assignment of Inventions Agreement ("Agreement")**

You will be performing contract work for Steven Thomas Orlando ("Client"), with a principal place of business at 7070 West Virginia Avenue #308 Lakewood, CO 80226 in connection with an engagement and highly sensitive project (as applicable, the "Project"). For the purposes of these terms, "Client" shall mean Client and its affiliates and any successors and assigns.

1. In connection with the Project, you will have access to proprietary and confidential information of Client and work on and in connection with confidential and highly sensitive matters for Client. In order to permit Client to provide you with such access you agree that:

   (a) Any information delivered or disclosed by Client or others acting on its or their behalf, to you incidental to or in connection with the Project, whether such delivery or disclosure occurred before or after execution of this Agreement (collectively, the "Confidential Information"), shall be and remain the property of Client. Such Confidential Information includes without limitation any information concerning Client's business, plans, operations, products, methods, procedures, customers, services, equipment, systems, facilities and proprietary information, regardless of the form or method of communication.

   (b) Confidential Information shall be used by you only to the extent necessary for the Project and may not be duplicated for or disclosed to any other persons without the prior written consent of Client. You shall not disclose the Confidential Information and shall accord to all Confidential Information such protection as is necessary to prevent any other use, duplication, or disclosure, which protection shall be no less than a reasonable degree of care. Upon completion of performance or termination of the Project, at the request of Client you shall deliver to Client all items embodying Confidential Information then in your possession or shall certify that all such items have been destroyed.

   (c) The restrictions set forth above shall apply, notwithstanding the completion or the termination of the Project, until such time as you can establish that such information: (i) is known to the general public provided such knowledge is not due to your acts or omissions; (ii) was rightfully received by you from a third party without any duty of confidentiality; (iii) was in your possession prior to receipt from Client and not subject to a duty of confidentiality; or (iv) was independently developed by you without use or reference to any Confidential Information.

   (d) You may disclose Confidential Information as required by law or court order provided, however, that you promptly notify Client in writing of the requirement for disclosure and disclose only as much of the Confidential Information as is required.

   (e) You acknowledge that a violation of your obligations with respect to the Confidential Information may cause irreparable harm to Client for which a remedy at law may be inadequate. Therefore, in addition to any remedies available at law, Client shall be entitled to seek an injunction or other equitable remedies in all legal proceedings in the event of any threatened or actual violation of any of the provisions of this Agreement.

2. With respect to the Work Product (defined below) prepared by you in connection with the Project, you agree that:

   (a) Client shall own all work product that you produce for the Client in connection with the Project, including, without limitation, and as applicable, deliverables, computer programs (source code and object code), programming aids and tools, documentation, reports, data, designs, concepts, know-how, and other information, whether copyrightable or patentable or not (collectively, "Work Product"). Such Work Product shall be deemed to be "works made for hire." To the extent that any of the Work Product may not, by operation of law, be "works made for hire,"

you hereby assign to Client all ownership rights, including, without limitation, intellectual property rights, in such Work Product. Client shall have the right to obtain and hold copyrights, patent rights, registrations and similar protection which may be available for such Work Product. You agree to give Client such assistance, at Client's expense, as may be reasonably required to perfect such rights.

(b) To the extent that any of your preexisting materials are contained in the Work Product, you hereby grant to Client an irrevocable, worldwide, perpetual, royalty-free license to such preexisting materials. Such license includes, without limitation, the right to use, execute, reproduce, display, perform, distribute (internally and externally) copies of, and prepare derivative works based upon, such preexisting materials and derivative works thereof. You acknowledge and agree that Client may transfer such rights to others without your approval.

(c) Except for preexisting materials, you have no rights or license to use, publish, reproduce, prepare derivative works based upon, distribute, perform or display any Work Product.

(d) You warrant and represent (i) that the Work Product shall be your original work and will not knowingly infringe upon or violate any patent, copyright, trade secret, contractual or any other proprietary right of others; and (ii) that there do not exist, to your knowledge, known or threatened rights, claims, causes of action or other legal rights or impediments.

(e) Your and Client's rights and obligations in respect of all Work Product shall survive the completion of the Project or the termination of your involvement with the Project.

3. You agree that you will not make any public announcements, media releases, or other forms of public disclosure, including without limitation, mentions on LinkedIn or any other social media sites, relating to or indirectly alluding to any work you have done for or on behalf of Client or the applicable Project without the advance written consent of Client, which consent may be withheld indefinitely at Client's sole and absolute discretion.

4. YOU WILL NOT BE LIABLE TO CLIENT FOR ANY INCIDENTAL, CONSEQUENTIAL, INDIRECT, SPECIAL, PUNITIVE OR EXEMPLARY DAMAGES (INCLUDING DAMAGES FOR LOSS OF BUSINESS, LOSS OF PROFITS OR THE LIKE) ARISING OUT OF OR RELATING TO THIS AGREEMENT, YOUR PERFORMANCE HEREUNDER, THE USE OR INABILITY TO USE WORK PRODUCT, OR ANY INTERRUPTION OR DISRUPTION OF OR BY ANY OF THE FOREGOING, EVEN IF CLIENT HAS BEEN ADVISED OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF THE CAUSE OF ACTION (WHETHER IN CONTRACT, TORT, BREACH OF WARRANTY OR OTHERWISE). NOTWITHSTANDING ANY OTHER PROVISION IN OR MADE A PART OF THIS AGREEMENT, AND EXCEPT ONLY WITH RESPECT TO LIABILITIES THAT ARISE FROM YOUR OWN WILLFUL MISCONDUCT OR THAT MAY NOT BE LIMITED OR EXCLUDED AS A MATTER OF APPLICABLE STATUTORY OR CASE LAW, YOUR AGGREGATE LIABILITY WITH REGARD TO OR ARISING UNDER THIS AGREEMENT WILL IN NO EVENT EXCEED THE MONETARY COMPENSATION RECEIVED BY YOU IN CONNECTION WITH THE PROJECT.

5. This Agreement is a complete statement of the parties' entire agreement, and supersedes any other written or oral discussions or agreements, with respect to its subject matter. All matters arising out of or relating to this Agreement shall be governed by the laws of the state of the Client's principal place of business, as reflected above, without regard to its conflict of laws rules. The federal or state courts of competent jurisdiction sitting in such state shall have exclusive jurisdiction to settle any dispute arising out of or in connection with this Agreement (including a dispute relating to any non-contractual obligations arising out of or in connection with this Agreement) and the parties hereby submit to the exclusive jurisdiction of such court in such jurisdiction and waive any claim of inconvenient forum. This Agreement may be executed in two or more counterparts, each of which shall be deemed to be an original as against any party whose signature appears thereon, but all of which together shall constitute one and the same instrument.
